TRINITY  
college of music

Trinity College of Music kick-starts its summer performance season with a spectacular South American carnival parade on Sunday 27 June. Colourful costumed characters will roam amongst the trees in Greenwich Park, joined by 100s of performers in Brazilian Samba and Cuban Conga Parades.

An ideal FREE day out for all the family, activities at the National Maritime Museum will keep kids entertained and everyone can salsa and cha cha to the music of Tito Puente during a big band finale, King of Mambo. Bring a picnic & soak up the carnival atmosphere!

Sinfonia de Colores celebrates three years of Trinity College of Music's HEROBAC Programme, providing 100s of opportunities for local people to make music with the College's staff and students. Pupils, teachers and residents from Greenwich, Lewisham and the Isle of Dogs will perform in the Parade, alongside professional musicians and dancers, after 8 weeks of music, dance and costume making workshops.
